

## **Connective Tissue**

- 1) What are the properties of connective tissue?
  
  
  
  
  
  
  
  
  
  
- 2) What are the major classes of connective tissue?
  
  
  
  
  
  
  
  
  
  
- 3) Extracellular matrix is found \_\_\_\_\_. It is composed of \_\_\_\_\_ and \_\_\_\_\_. What is its purpose?
  
  
  
  
  
  
  
  
  
  
- 4) Ground substance is \_\_\_\_\_ and \_\_\_\_\_. What is it composed of?
  
  
  
  
  
  
  
  
  
  
- 5) What cell is the precursor to all connective tissue cells?
  
  
  
  
  
  
  
  
  
  
- 6) What are some of the connective tissue cells that were talked about in class?
