

# Intro to A&P

## Across

- 3.** -ology
- 8.** Derived from a common evolutionary ancestor
- 12.** The study of body parts (form)
- 13.** The output of a system **AMPLIFIES** the system.  
\_\_\_\_\_ feedback
- 14.** State of chemical equilibrium that is maintained by the body

## Down

- 1.** Myo-
- 2.** \_\_\_\_\_ are chemical messengers.
- 4.** System, Neuro-
- 5.** Endo-
- 6.** The output of a system **INHIBITS** the system.  
\_\_\_\_\_ feedback
- 7.** Exo-
- 9.** As a structure becomes more \_\_\_\_\_,  
its quantity decreases.
- 10.** The study of the function of the body  
(function)
- 11.** Osteo-
